Llegada

The maze consists of a large rectangular frame with a complex internal path. The path starts at a circular icon labeled 'Salida' (Exit) at the top left, which contains a silhouette of a person running. The path winds through various turns and dead ends, eventually leading to a circular icon labeled 'Llegada' (Arrival) at the bottom right, which contains the 'MA' logo. The maze is designed for a child to trace the path from the start to the end.
